

Future Housing Leaders Recruitment Packet

Future Housing Leaders is a program that recruits students with diverse backgrounds and connects them to job opportunities in the housing industry with Employer Partners like you.

More than just an internship recruitment program, Future Housing Leaders supports businesses' diversity and inclusion goals and showcases how diversity can impact businesses' bottom line. The program also provides Employer Partners' interns with supplemental training, enrichment, and support.

Sponsored by Fannie Mae, and with the help of your company, Future Housing Leaders has the resources and expertise to effect real change by promoting diversity in the housing industry.
